

# Saint Mary's Newsletter

## Wednesday, May 26, 2010

Dear Parents,

This memo brings to you our sincere thanks for all that you did for St. Mary's School throughout this school year. As we end this successful 2009-2010 school year we are in deed appreciative of all that you did for St. Mary's children. May God bless you always.

All that has been accomplished could not have been done so without the dedicated work of our teachers and staff members join together with our parents. The list of "thanks" would not be complete without mentioning our children I do appreciate the effort and hard work that was exemplified by my "Love Doves".

Our Priest also deserve a thank you for their support, dedication, and encouragement as we end "the year of the priest" we promise them a remembrance in our daily prayer.

By the time you receive this letter the count down will be 1 ½ days. It has speed by rapidly and hopefully the remembrances will last for a long time. Thank you parents and God bless you.

Tomorrow, Thursday, May 27, 2010 the Elementary Award Assembly will take place at 1:45 in Church. Friday schools starts at the regular time. Our Mass will be at 9:15. Children may wear their dress up clothes for this day. It has been suggested, that since the theme of our Mass will be directed towards the Holy Spirit, It would be appropriate to wear something red. The children's red spirit shirt would be very appropriate. We ask our pre-schoolers and 2<sup>nd</sup> graders to bring flowers for our May altar.

Report cards will be giving out at approximately 10:15 and dismissal is scheduled for 11:00. Please be on time to pick you the children as the parishioners, who will be attending the 12:00 Mass, will be arriving.

The renovation that will be accomplished during the summer will be the restrooms in the mid-school and also new play yard equipment in the west play yard will be installed.

You have received weekly envelopes throughout the year. We are very grateful to Kahleetah Clarke, MaryAnn Chavez, and Julia Sanchez for preparing envelopes for distribution. Job well done!! Thanks to each of these ladies.

Reminder that all financial obligations must be taking care before issuance of report cards on Friday. Mrs. Contreras, our schools bookkeeper will be in the school office from Tuesday, June 1<sup>st</sup> until Tuesday, June 15<sup>th</sup>. Mrs. Contreras, may be reached at 338-1730.

Saint Mary's Middle School  
**Receive The Power**

St. Mary's Middle School "Receive the Power" award. Andrew Sedillo nominated Jordyn Casaus, Michael Barboa, Pete Cuaron, and Nazareth Gonzales. He has this to say about the nomination: "When I got hurt on the playground these students helped me up and down the stairs and also carried my book. They really deserve this award".

We wish each St. Mary's School family member a safe, happy, healthy, and blessed summer! Look forward to seeing you in August.

Thank you and God bless you,

*Sister Marianella, S.C.*
