

St. Mary's Catholic School Advisory Board

October 13, 2010

Dear St. Mary's Families:

St. Mary's has been enrolled in the Smith's Earn & Learn Donation Program. This Program is a fundraiser established by Smith's to help schools in the communities in which Smith's operates.

We would like to encourage those of you who are Smith's shoppers to participate in this worthwhile program. Any person who has a Smith's Fresh Values card can register their card online or by telephone and designate St. Mary's Catholic School. Then, each time you shop at Smith's and scan your Fresh Values card, Smith's will contribute a percentage of your eligible purchases to a fund that will send St. Mary's a check each year.

To register your Smith's Fresh Value Card:

- 1) Online at www.smithsfoodanddrug.com, and choosing St. Mary's Catholic School or our Organization number 80180 ; or
- 2) By calling 1-800-764-8897.

Please help us raise funds by enrolling in this Program as soon as possible. Holiday shopping will soon be here, and this is a great opportunity to raise funds for St. Mary's.

Thank you,

St. Mary's School Advisory Board
